About CIOB

Ceylon Institute of Builders

- CIOB is Sri Lanka's premier professional body representing the construction industry.
- Promotes professionalism, education, sustainability, and innovation.
- Known for the *World Construction Symposium*, *Construction Today* magazine, and national sustainability initiatives.

14th World Construction Symposium

- Annual academic-industry event led by CIOB and the University of Moratuwa (BEMRU).
- Brings together global researchers, policymakers, and practitioners to discuss sustainable construction.
- Papers presented are peer-reviewed and recognized by the SCOPUS Global Research Database.
- SSA 2026 will be held in conjunction with this symposium for greater synergy and visibility.
