ABOUT CIOB

The Ceylon Institute of Builders (CIOB) is the premier professional body representing Sri Lanka's construction industry. Established to foster professionalism, sustainability, and innovation, CIOB leads advocacy efforts, conducts research, and organizes national-level symposia and development programs.

WHAT IS SSA?

The Sri Lankan Sustainability Awards (SSA) is a pioneering initiative conceptualized to recognize and celebrate sustainability excellence across the construction ecosystem. SSA is aligned with global climate goals and national development priorities, offering an inclusive platform to honor individuals, organizations, and products/systems demonstrating sustainability leadership, innovation, and impact.

OBJECTIVE:

To recognize and promote sustainable practices in the construction industry while inspiring transformation through leadership, innovation, and green advancement.

ABOUT THE 14TH WORLD CONSTRUCTION SYMPOSIUM

Organized annually by CIOB, the World Construction Symposium is the premier academic and industry platform in Sri Lanka dedicated to sustainable construction. It brings together global experts, policymakers, and professionals to share research, best practices, and innovations that drive positive change across the built environment. Conducting the symposium is done by the Building Economics and Management Research Unit (BEMRU) of the University of Moratuwa. Further, papers presented at the symposium have been recognized by the SCOPUS Global Research Database.

Why SSA Matters:

- Promotes awareness and adoption of sustainable construction
- Honors those leading Sri Lanka toward a greener future
- Connects sustainability pioneers with industry and policy leaders

Event Highlights:

- High-profile award ceremony with national recognition
- Participation of professionals, academics, corporates, and policymakers
- Networking and collaboration opportunities
- Showcasing of sustainable products, innovations, and research

Endorsements & Support:

Endorsed by the **MINISTRY OF HOUSING, CONSTRUCTION AND WATER SUPPLY**, **MINISTRY OF ENERGY**, and receiving anticipated support from national and sectoral bodies such as the President's Secretariat, SLSEA, CIDA, UDA, and more.
